WELCOME TO FOOT AND ANKLE CENTER OF NORTH HOUSTON.

— Since 1974 —

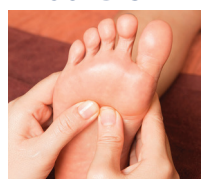

We are a leading Podiatry Practice for the treatment of foot and ankle problems ranging from tendonitis, bunions, heel, foot or ankle pain, ankle sprains, ingrown toenails, plantar fasciitis and fractures to the most complex surgeries. The foot doctors of Foot and Ankle Center of North Houston are the experts in podiatric care and are nationally-recognized for their expertise in foot and ankle surgery.

We provide the highest quality services to our patients and community in the most cost effective manner. Our focus on community engages patients from infant age to the elderly. Working with young athletes or active adults, we help maintain foot and ankle health to effectively pursue the patient's goals. We work with the elderly to help them keep moving. And we work with the referring physician to stabilize their patients' care around foot and ankle issues that impact their overall health and wellbeing.
